Dear Youth,

Today is EASTER. We just finished PASSION WEEK, commemorating an important, if not the most important historical happening on earth. The death of Christ and His resurrection. Let us never permit this to be forgotten. Our faith revolves around salvation for us and mankind and thus the Passion week is important for all Christians.

**Palm Sunday** reminds us of how Jesus entered into Jerusalem amid the great cheers of the crowds. Like the people in the time of Jesus, we too have certain expectations of God. Often we do not understand His actions. It is the Holy Spirit who leads us into the knowledge of Jesus Christ.

Let us ask ourselves the question on Palm Sunday:

### **WHAT DO I EXPECT OF JESUS CHRIST?**

On **Good Friday** we remember the death of Jesus Christ. This event makes it seem as though evil has won – but it is precisely in this situation of abasement that the majesty of Jesus Christ is the true King, who truly rules and suffers for His own!

### **ABASED BY MAN, (OR EARTHLY CIRCUMSTANCES), BUT EXALTED BY GOD**

Shall be our conviction of Good Friday.

The celebration of **EASTER** is the highpoint of the church year. It is a celebration of resurrection and the hope for new life. After the ignominious crucifixion of Jesus, evil seemed to have triumphed over good. The resurrection of Jesus Christ, however, demonstrates the power of God over evil and death. This resurrection gives believers the justified hope in their own resurrection and eternal life.

### **PROCLAIM TO THE WORLD THAT JESUS CHRIST IS RISEN AND LIVES IN US!**

That is our Easter resolution!

Let us be on this journey together. Thank you for your support and collaboration and together we shall be victorious with Christ.

Your Brother

Urs Hebeisen

# Featuring Tangub District Youth Valentine's Special Masquerade February 12, 2016

It was a cold romantic evening last February 12, 2016 in where NAC Tangub District celebrates advanced valentines special with the theme "Masquerade Party" held at Function Hall 2, Maloro, Tangub City.

It was a night to remember for the youth because ambience were perfectly decorated, the voluptuous richness of music made you feel the spirit of love, enticing foods and drinks were gladly served, entertained with showcase of talents, love games and surprises made their heart claps and watching all those beautiful and handsome faces scintillated behind their mask. Everything is perfect for that night and was successfully done. But what we have learned at the end is that without love, this event could not be possible. All went home happy and bring with them the love that begets love.

## DID YOU KNOW

Even though the roots come from the ancient Roman festival of Lupercalia, The Catholic Pope Gelasius I declared it again as a Christian feast day in the year 496, declaring February 14 to be St. Valentine's Day

# Youth Party BLTN Edition! January 31, 2016

It is better to do something after it was supposed to have been done than not to do it at all. The Youth Christmas Party was thought to accomplish last advent season but unfortunately due of every individual different responsibility we decided to defer the party and make it on first month of the coming year. The 31<sup>st</sup> of January was the reasonable time for finally having our late Christmas Party. Better Late than Never, Right! Before the Party, we do Bible Reading and Share our own thoughts and interpretations to simply influence one another.

Just always remember your leaders who spoke to you the word of God should consider as the outcome of their way of life, and imitate their faith. Anyway over a quite period of time we arrived to the Merville Country Club which would be the venue for the said event. While the assigned organizer and deputy for the games and activities are preparing their stuff, some of the youth were exploring the taste of different flavors of tea and some were singing and playing guitar. We also enjoyed a selection of different roasted chickens! After that, the youth were gathered to have groups for the following games. Everyone enjoyed and had fun during that moment because of the smile seen on our faces.

The activities department did a great job and prepared a number of fun games that everyone enjoyed. We posted the rules of the games on the next page!

## Egg Hollowing Project

### DID YOU KNOW

*Discipleship, Enabler, and Model* are the characteristics that you should see yourself to have stronger sense of involvement in youth. Discipleship is a character-building relationship that challenges people to take what they have been given by our Lord and give it to others.

Last January 31, 2016, youth have gathered to prepare some stuff for the upcoming Easter Sunday. Everyone is happy and enjoying removing the egg yolk from shell by blowing it. It's a tough task, but if all are doing their job it will be easier to finish and become a successful one. The hollowed eggs was then used for a later event during the egg coloring event! This part was a tricky but necessary part, or else if we color the eggs that is not hollow, they will expire and go bad.

After that, Youth Leader Dc Samuel Hebeisen led a meeting for planning whole year activities and events. For this year, the enthusiasm of the youth focuses on worship services, social action projects, and fundraising ventures to pay for activities to achieve victory with Christ. Youth were group to ease different responsibility in order to disseminate task simply to make it quicker.

The one who desire to see long-lasting results must see themselves as enablers. The best way to model the faith is through a consistently open and honest lifestyle. There is possibly nothing more fulfilling than watching young people respond to Christ's call, become involved, and continue to mature as New Apostolic Christians.

## Second Annual Egg Coloring Event

February 28, after divine service, the NAC Makati youth are gathered together for the preparation of the coming event. Everyone was excited to do their own design of egg. Some makes funny faces to it, while others paint it with different colours.

There were many different possible ways to accessorize the colored eggs. Different sequins, fake diamonds, text transfers, many different colors of glitter glue but not enough hot glue!

It was quit tiring day yet everyone seems enjoyed a lot and happy chatting while doing the Easter egg.

The youth activity are not yet done after egg colouring. The group seem like fully energetic though the first activity was quit time consuming. And they ended up recording a songs as part of the agenda during the past meeting.

They record three songs in titled, " A miracle of love", "I will never cease to love you Lord' 'and We will keep our faith alive. The activity was closed with a prayer lead by our youth leader Sammy.
