You are always concerned about your future. You strive to acquire knowledge and develop understanding so that you can secure a position in society. Some get college education and some get skills training to master any craft that could one day assume responsibilities in our occupation and family.

During your experience in life you will see people fail and also see people succeed. Learn from the people who fail how not to do it and learn from people who succeed how to do it. Discover your own gifts and talents and sharpen it to be a useful tool in your life.

But how do we really accomplish this? With our own strength? Using knowledge and abilities which we have acquired ourselves? How do you cope or get along or perform as a young child of God?

You can do it with a right heart's attitude, with humbleness before the Lord. This is how we will secure divine blessings. Learn from Solomon, as a

Editorial

My dear youth,

You are now at a crucial point between leaving your childhood and face the reality of life and conquer the future. During your childhood everything is dependent on the help of your parents. As you now mature into a young adult you wish to build up yourself through education and values.

young and inexperience ruler, he humble himself to the Lord acknowledge that he lack experience to make wise decisions for the entire nation. He asked God something special;

- An honest and understanding heart to fairly judge the people, and
- Distinguish between good and evil (1 Kings 3: 9)

So as a young child of God you can also say "Heavenly Father I am young and inexperience, I have no great accomplishments, I go on my way with good intentions, yet with humbleness, and trust that You are my Helper and your divine blessings I depend on".

Cheating, stealing, telling a lie, dishonest intention, ego, and self-centered attitude are evil that will only bring one to go deeper to evilness. Distinguish what is good and evil and decide for the good; honesty, obedient heart, and humbleness attitude are good that will bring one higher to God's help and blessings. Then when you are wise you will do well, like Solomon who received might, power, wealth and prosperity even he did not ask for it.

**FIRST REGIONAL YOUTH DAY EVENT
IN NONONG CASTO BEACH,
BATANGAS JANUARY 29-30, 2005**

January 29, 2005, Saturday, it was a happy and good experience youth activity. 60 youth participated in this

event. They all came from Bicol, La Union, Batangas. Laguna and Metro Manila. We left Makati church around 2:30pm and arrived Nonong Casto Beach Batangas around 7:00 pm immediately our National youth leader Ap. Timmy Gabriel started meeting for all regional youth leaders. It was followed by an evening youth discussion by Ap. Gabriel using TOPIC: The fear of God, the basis for true wisdom.

What is the deep meaning of the fear of God? Youth answered, "we fear God because we love God". Other youth answered "we love God, means we do not want to hurt Him or disappoint Him by making a sin".

Ap. Gabriel was so happy for the answers of the youth because it shows a good and clear understanding of our knowledge of our faith leads to the strong foundation for true wisdom.

The youth evening ended singing a happy birthday to Dondon Mendoza, youth in Batangas.

January 30, 2005, Sunday, the Youth District Service was conducted at Sta. Teresita Chapel. During the service our youth member in Batangas Sister Marichou Umali and Max Mercado received the wedding blessing, also Eva Joy Solomon and Rommel Mato received the engagement blessing and vow to get married on March 12th.

After the service the youth sing a happy birthday to Sister Liza Mendoza.

Everybody enjoyed the time to be together in new friends, closer fellowship and renewing its mutual bond.

Everybody is looking forward to the next youth outing in Bataan.

APOSTLE LETTER BOX

Dear Apostle,

I'm member of the Youth, being a member I'm being observant with my co-member and to my blessing bearers. Later on, I felt sorry for myself, being lazy to attend some youth gatherings because I discovered something wrong to my blessing bearers. I said bearers, it means not only one. Now...

How can I maintain my respect (including their ministry) to my blessing bearers after I discovered their wrong doings?

Sincerely yours,
Betsaida of Jerusalem

ANSWER:

Everybody has weaknesses and is a sinner. Nobody is perfect. Jesus said: “who is among you without sin, let him throw a stone first..” (John 8:7)

Mistakes, wrongdoings etc are often very relative and look as such maybe only to you. Maybe there is a misunderstanding and all of a sudden a conflict is created which is without base.

Clarify the matter. Go to him who did wrong and ask him privately why he did so. Maybe he did not know and is thankful you are telling him. Maybe he has a perfect explanation of something you did not know, which gives you peace of mind.

If you still are concerned you can always come to me and ask. I promise to look into the matter. Important is that we never accuse but always try to help each other to overcome
Lovingly Yours

URS HEBEISEN
