Editorial

My dearly beloved youth,

God has a time plan. In the history of time it demonstrates that there is a plan in the background. When the time is fulfilled according to God's will certain things transpire.

During the time of Noah, the flood came at the time the ark is finished.

During the time of the Israelites, freedom out of Egyptian bondage came and no one could stop them because their departure is according to God's plan.

During the time of the New Testament, God sent forth His Son, Jesus. It was God's precise plan that our Lord Jesus brought the supreme sacrifice, His death, His resurrection, His ascension, and when the time is fulfilled He sent the Holy Spirit to His apostles on the day of Pentecost.

Today, New Apostolic is a Christian belief that God re-established the apostle ministry of Jesus and living apostles is needed in our time for the perfection of

the bridal souls and for the completion of the work of redemption and salvation.

God holds everything in His hands and determines everything. And in the near future time will be fulfilled that He will send His Son again. As God's children we longingly wait for Jesus return to take home His bride. It is a precise plan in which we make ourselves ready today.

Now the question in the hearts of our youth; "Does God has a plan for me?" Of course, God has a plan for each one of us, which is designed according to His over-all plan of salvation and redemption.

You may ask: "What about my own personal plan for my natural life?", "About my dreams and ambitions of having a good life?" "Will our Heavenly Father go along with that?" God our Heavenly Father did not ever go along with man. IT is man who should go along with God. Do we have to pray to God that He bless us or should we inquire God what is your plans for you and me. This will certainly show our God fear, when we search for God's will and the god fearing will experience Hid blessings.

When we adjust our inner disposition to support God's work of redemption and salvation, we can

be assured also of God's support in our natural life. Everything will come at the right time according to His plan. Therefore let us trust him.

Sincerely yours,

Timmy Gabriel

Schedule of Activities

Calendar of Events - February 2007

The distinguishing mark of the children of God shall be love. It is not enough to profess love it must be practiced.

Mark 12: 30-31: "You shall love the Lord God with all your heart, with all your soul...and with all your strength; you shall love your neighbor as yourself."

"with all your heart"

The heart is the center of a human being. Therefore we put God in the center, manning we inquire about the will of God in all our decisions.

"with all your soul"

The soul is life from God destined for an everlasting fellowship with God. We shall always seek God's nearness in the divine services, in the brothers as well as in prayer.

"with all your strength"

This means to bring offerings and sacrifices unto the Lord and to serve Him.

"love your neighbor as yourself"

If you show understanding to yourself, you show understanding for your neighbor too. If you try to find excuses for your own faults, you also forgive your neighbor for his or her imperfections and weaknesses.

The best example of love to God is when our brothers and sisters who attended this service walked 2 hours just to attend the service and even carry her child along.

APOSTLE LETTER BOX

Dear Apostle Hebeisen,

There was an old woman from our church who always has a new gossip to the other member especially to me. Our church teaches to be good to others and don't do bad or talk bad to others or the so called "tsismis" because it is not good in the eyes of the Lord. And it can affect the members for being cold because of her doing. Is it possible to stop this or avoid this? But Bearer of blessing always teaches us standing in the altar with confident. Do I have to forget and forgive this person even she's hurting and gives pain in my heart? She is also a meddler, because even in my work she always wants me to get down even it is my personal life. Why there are people like this?

ANSWER:

from: LACY

Dear Lacy,

These are poor and troubled souls, lack happiness, are frustrated and never really are at peace. Maybe this person also does not know what she is doing, thinks she does all right and maybe she even thinks that she does a good thing because she lives in another world of her own mind.

Now you say she is an old woman. Is she a sister, a member of the congregation? It seems to me this is a case of soul care. First you should talk to the Rector privately and give him all the details of such ongoing "tsismis" He will then observe and maybe talk to this Sister without mentioning your complain but just in a general manner during a soul care visit.

You say, she meddles in you personal matters. That suggests that you have some kind of a personal relationship with this Sister. Then you should talk to her nicely but clearly and make her aware that you have a problem with her gossip and meddling.

As the Chief Apostle said in his New Year Message: What we can do, God does not. We have to do our part and God will help with the rest.

Forgiveness, Yes by all means. We never judge, in order not to be judged. However to maintain good relationship, to keep a brotherly and sisterly atmosphere of love in a congregation, we definitely have to address such situations. God bless you, and should the situation not improve come and see me.

Loving greetings

Urs Hebeisen
